PodCaz audio:

#168. Global cities: Melbourne

http://pedagogie2.ac-reunion.fr/cyberprofilv/index_fichiers/Podcaz_audio_anglais.htm

Langue : Anglais

Public : Lycée

Niveau CECRL : B1-B2

Prediction 1 : Mark will be telling you about Melbourne his hometown .

Let us first brainstorm a few ideas about this city . How much do you know about it ? (Try to locate it on the map below , make guesses about its population , industries activities ...)

Prediction 2 : Mark calls Melbourne a global city. Can you explain why ? suggest a definition ?

While listening :

1) Facts and figures :

Number of inhabitants :

First wave of immigration :

- date :

- countries people came from : (circle the ones you actually hear)

Hungry Italy Hungary Romania Greece Austria

Second wave of immigration :

- date :
- reason why a lot of Vietnamese came to Melbourne :

Third wave of immigration :

- continent people have come from recently :

2) Fill in the gaps :

There are many Greeks in Melbourne. I think Melbourne has the _____ largest Greek population outside of _____.

There is also a very large _____ population in Melbourne and every year I think in _____ when the Chinese _____ the Chinese New _____ they hold a big _____ in Chinatown.

3) Explain now why Mark calls Melbourne a global city :

After listening :

1. Search the web for more information about Melbourne and to check the guesses made before listening
2. Search the web for information about another global city. Write a short summary and share the information with the rest of the class.
